

Reading

In whole group Language Arts, the class is focusing on identifying nouns, verbs and adjectives. A noun is a person, place or thing, and an action verb shows action.

Students also continued with small groups. Ask your child what they read in their small groups this week.

Math

Students are learning to add two digit numbers with and without regrouping. They are also practicing to tell time to the nearest 1/2 hour. Please practice this with your children at home.

I(ntervention)-E(nrichment) Time

Twice a week, the second grade will have IE time. During this time, children will either work on skills that they have not yet mastered or will have an enrichment activity based on the skills they have mastered. Each week the groups will be fluid based on mastery of skills.

Alice in Wonderland at Radford University

Due to the limit in tickets we received, **we can only take 3 parents per classroom.** This will be decided on a first come first serve basis. We are sorry for any inconvenience.

Word Work

Students continued their word study on the list they had last week. The skills on which we focused are, phonemes, syllables, and word patterns according to your child's individual list. New lists will be distributed on Monday.

Science (From Mrs. Meadows)

We are working on a unit on observations using our five senses. We will continue learning about the seasons and how they affect living organisms.

Writing (From Mrs. York)

The children's choice of writing. Has been published and are on display in our hall. Come on down and see what wonderful authors your children are.

Social Studies

(From Mrs. Dunnigan)

We have been studying about the Lakota. The children learned about the region in which they lived, the type of home and occupations they had, as well as their modes of transportation.

Recess

Please remember that we will have outdoor recess everyday, weather permitting. Please make sure your child has appropriate clothing for play.
