

FOURTH GRADE GAZETTE

Gilbert Linkous Elementary School

November 18-26, 2019

Volume 7 Issue 13

Follow Us Down the Rabbit Hole...

Thanks for your quick and complete response for our Thanksgiving surprise. Please send in items with your child any time before Tuesday the 26th. We appreciate your willingness to help.

We have enough glass jars for our upcoming 2020 project. Thanks for sending them in, you can recycle as usual from now on.

We hope you and your families have a great Thanksgiving break. Enjoy your family and friends and safe travels if your plans take you far from home.

Reading: Mrs. Hill

In small groups this week we will be working on some comprehension skills while we read our assigned novels. Students will answer questions, complete mini assignments, and discuss the novel with their group. During class, I will provide students the opportunity to pick out their biography from GLE's library. They need to have their biography read by December 2nd. "Who Was/Is" books are a great resource for this assignment.

In this issue....

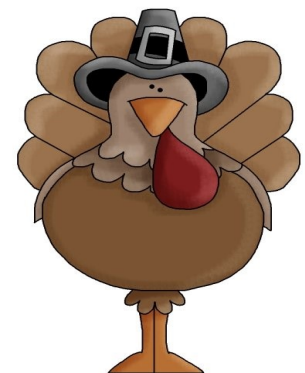

4th Grade News	1
Language Arts	1
Science	2
Math	2
Social Studies	2

Upcoming dates:

Nov 21 Family STEAM Night 6:00—7:30

Nov 26th Early Release

Nov 27 -29 Thanksgiving Break Gobble, Gobble and travel safely.

Science: Ms. Mullins

The students did great on their Potential/Kinetic Energy quiz last week! This week we will complete physical properties and the Laws of Motion. Miss Wilkie will be introducing our Electricity unit this week. The Force/Motion/Energy test will be combined with Electricity a little later.

If you are on Twitter you can follow Mrs. P's Lizards @p_lizards for daily snapshots of fourth grade goings on.

Virginia Studies: Ms. Mullins

As we near the end of our Jamestown unit, students will take a quiz on government in Jamestown including burgesses, assembly, representatives, legislative activities, Governor's Council, and the House of Burgesses. Students should review their notebooks and folders daily. The quiz will be Thurs or Friday of this week.

Math: Mrs. Pleasant:

Tomorrow we begin a new unit, Chapter 5 Factors, Multiples, and Patterns. This is yet another opportunity for your child to practice and learn their multiplication and division facts in addition to applying them. If your child has a correct and return for the division test, it will be in their mailboxes tomorrow. Please review with your child, have them make corrections on the ones they missed, and return to school by the 26th.

Think Central, the online math resources, can be accessed through the GLE webpage, through the Student Menu.
